Field report — overview

This sample PDF demonstrates fit-width viewing and multi-page navigation.

Representative body text wraps within the printable area.

Use the thumbnail strip and page controls to move between pages.

Methods and observations

Page two contains structured paragraphs for visual QA.

Annotations and highlights should remain readable at paper scale.

The warm workspace surround frames the page without shrinking it.

Summary

Final page confirms export and annotation tooling.

Status bar should report page index and zoom after fit-width.
